

JAPANESE RELATIONS ARE DISCUSSED

SENATE GOES INTO EXECUTIVE SESSION FOR OVER TWO HOURS

Secret Session Held At Suggestion Of Senator Lodge--Frank Discussion Of Relations Is Had --Island Of Yap May Become Delicate And Serious Problem.

(By The Associated Press)
BULLETIN

WASHINGTON, March 1.—By unanimous vote, 58 senators answering the roll, the senate tonight attached as an amendment to the naval appropriation bill a section calling upon the president to call a conference of the United States, Japan and Great Britain to consider naval disarmament.

WASHINGTON, March 1.—The senate frankly discussed relations between the United States and Japan for two hours late today behind closed doors but the situation as presented by Republican leaders failed to shake opposition to the naval appropriation bill.

After the doors were opened Senator Borah, Republican, Idaho, and other leaders in the fight against the bill declared emphatically that the measure in its present form could not be passed before congress adjourned Friday. The senate then swung into a long night session with a promise by Senator Poindexter, Republican, Washington, in charge of the bill, that it would be held in continuous session until action had been taken one way or another.

The motion for the secret session was made by Senator Lodge of Massachusetts the Republican leader and chairman of the senate foreign relations committee. He suddenly interrupted a long open debate on the bill by expressing the hope that the measure would be passed by this congress and adding that there were some angles of the question which should not be discussed in public. When the galleries had cleared Senator Lodge was understood to have presented new information regarding controversies between the United States and Japan other than that over the California alien land law. One of the questions said to have been discussed was the Pacific Island of Yap which Japan holds a mandate. Several senators were reported to have expressed the view that the controversy over the island was certain to become a serious and delicate problem in the near future.

Continue Naval Building.—Senator Lodge was said to have told the senate that in view of the present controversy with Japan and the position of the United States in world affairs this country should continue its naval building program. He also was reported to have emphasized the desirability of advising Japan that the United States was ready to spend millions of dollars to protect its interests in the Pacific.

President-elect Harding also was understood to have been quoted as advocating an adequate navy. Senator Williams, Democrat of Mississippi was said to have used bitter sarcasm in critiquing the closing of the senate doors and characterized the Japanese relations argument as a "burlesque." He and others were reported to have promised to repeat in open session the discussions behind closed doors.

Immediately the executive session was over, Senator Poindexter gave notice that he would try to hold the senate in continuous session. Senator Poindexter, Republican, Connecticut, asked Senator Borah if it would be possible to pass the bill.

The Idaho senator replied with a sympathetic negative and declared he was "perfectly willing to take the responsibility."

Early in the night Senator Borah went out to dinner and Senator King again took up the fight against the bill. Meantime Senator Poindexter had declared privately that a filibuster was on a force.

TUESDAY WAS THE HOTTEST MARCH 1ST

George H. Hall, U. S. volunteer weather observer at Alexander reported the thermometer standing at 68 degrees Tuesday. This, he said, was the hottest day since he began to observe weather reports twenty six years ago. The next hottest day was in 1909 when the mercury registered 66.

FRENCH TROOPS MAKE READY TO FORCE GERMANY

Believe Germany Understands Nothing But Force

BELGIUM READY TO FOLLOW FRENCH LEAD

(By The Associated Press)
PARIS, March 1.—Everything is in readiness along that part of the Rhine held by the French for a jump forward at a few hours notice should the occasion arise. The Associated Press was informed in official circles this evening. The German counter proposals created nothing short of amazement in French circles.

The consensus of opinion this afternoon was that no discussion of the proposals was possible. French officials, however, cannot hide the feeling of satisfaction that the German attitude should "show that the French viewpoint had been correct from the first," that Germany was unwilling to face the responsibilities, and also prove to Great Britain and the rest of the allied and neutral world that Germany will understand nothing but the application of force and that it is useless to deal with Germany in a spirit of justice and fairness.

Believe Will Have Moral Support if force coercion becomes necessary officials here feel that it will have the moral support of all the allied convention as well as the United States. In the absence of Premier Briand and War Minister Barthou, it is not expected that an order to go forward would come before tomorrow night, at the earliest as it is presumed the Germans will be given a final opportunity to recede from the position taken today. If a marching order comes tomorrow night the troops would be ready to go forward Thursday morning at day-break.

The Associated Press was informed from Belgian sources today that Belgium is ready to follow France's lead. During the past three days 15,000 Belgian troops on the Rhine have been reinforced by two divisions, while the French have 150,000 men in the occupation zone, with 200,000 held in reserve less than 24 hours away.

ALLEGED ROBBERS ARE CAPTURED
Omaha, Neb., March 1.—A robber aided by a woman helpup and robbed a fur and tanning company establishment in the downtown district today. The alleged robbers were captured by a private detective a short time afterward and a number of valuable for coats and a small amount of money were recovered. The prisoners are both residents of Omaha.

INCORPORATION PAPERS ISSUED
Springfield, Ill., March 1.—The Camp Manufacturing Company, of Washington, Taxwell county, was capitalized at \$30,000 and incorporated here today to manufacture and deal in elevators, washing machines, saws, castings and other articles. The incorporators were Peter Switzer, Jr., Samuel B. Wagner and Emanuel Garber.

For with you at any and go into the matter fully, and if you desire, will be glad to show you the earnings of these trains, and I am convinced as practical business men, after careful investigation under present conditions you will agree that it was absolutely necessary to make this temporary reduction in our train service. We all hope and believe that present conditions are only temporary and that in a short time business conditions will improve to such an extent that our train service can be restored to its normal basis.

Yours very truly,
H. E. WATTS.

WILSON TO ATTEND INAUGURATION OF VICE-PRESIDENT

Final Arrangements are Completed for Ceremonies

HARDING ALSO TO SEE COOLIDGE TAKE OATH

(By The Associated Press)
WASHINGTON, March 1.—President Wilson expects to attend the inauguration of Vice-President Coolidge in the senate chamber Friday, but whether he will witness the inauguration of President Harding may not be decided until inauguration day.

Final arrangements for President Wilson to accompany Mr. Harding to the capitol Friday morning were made today at a conference between Senator Knox of Pennsylvania, chairman of the joint congressional inaugural committee and Joseph P. Tumulty, secretary to Mr. Wilson.

Program Outlined.
As the program was worked out the congressional committee will call on Mr. Harding and Mr. Coolidge at the new Willard hotel Friday morning at 10:30 o'clock. From the hotel the party will go to the White House and take President Wilson into the automobile of the president-elect.

The start then will be made for the capitol with a view to arrival there at 11 o'clock so President Wilson will have time to act on the bills passed in the closing hours of this session of congress. There will be a least four automobiles for the inaugural party. President Wilson, Mr. Harding, Senator Knox, representing the senate and Representative Cannon of Illinois acting for the house will ride in the first.

The second automobile will carry Mrs. Wilson and Mrs. Harding with other members of the congressional committee. The third automobile will bear Vice-President Marshall and Mr. Coolidge and the fourth the wives of the vice-president and vice-president-elect with other members of the congressional committee.

Usual Secret Service Staff.
There will be the usual staff of secret service men in another car and also cars for newspaper correspondents. The party will be escorted by troops of cavalry from Fort Meyer. After arrival at the capitol President Wilson and Mr. Harding will go to the president's private room off the senate chamber where Mr. Harding will receive visitors while President Wilson acts on the final legislation of congress. Just before the adjournment of congress the president and president-elect will enter the senate chamber and from adjacent chairs view the swearing in of Mr. Coolidge and listen to his address.

At the conclusion of the senate ceremonies Mr. Harding will go thru the capitol to the east portico after all senators and guests have taken their places about the speakers stand.

AMERICAN LEGION POST HAD SESSION

Regular Meeting Held Last Night at Elks Club Rooms—Executive Committee Named.

There was a large attendance at the regular meeting of the American Legion held last night at the Elks club rooms. Various business matters were given attention and there was informal discussion of a number of subjects. An executive committee was chosen, composed of the following: Hugh Green, Virgil Edwards, W. S. Senger, Louis Cain, Thomas Walsh, W. L. Egan, Eugene Keefe.

On Thursday evening, March 10 the noted Irish tenor, Allen McQuibbe is to appear at Illinois Woman's college under the joint auspices of the American Legion and Mrs. Helen Brown Read. The indications are that the patronage will be liberal for this musical event.

J. C. Roach of Bloomington was present at last night's meeting and told of a home talent show which the members of the Bloomington post are presenting in various cities and towns. After some discussion the members of the local post decided that this would not be an opportune time for the presentation of this show, but it is probable that the Bloomington men will appear here at some time in the early fall.

It was announced that the entertainment committee has a special program in store for the social meeting which will be held on Tuesday, March 15. Brief talks will be made at that time by representatives of the Rotary club and others. An effort is to be made to have representatives from each of the several American Legion posts in the county.

PERPETUATION OF AGREEMENTS WILL PREVENT CIVIL WAR

This is What Railroad Employees Tell Labor Board

NEW SPIRIT BORN IN BREASTS OF WORKERS

(By The Associated Press)
CHICAGO, March 1.—A return of "what was tantamount to civil war among industrial workers," would be prevented by the perpetuation of national agreements between the railroads and their employees the railroad labor board was told today when it resumed hearings on the rules controversy after a two week's recess. Representatives of the clerks presented a lengthy statement to the board in reply to the carriers' objections to the existing national agreements.

R. P. Dee, vice-president of the Brotherhood of Railway and Steamship Clerks, freight handlers, express and station employees, declared that to abrogate the national agreements would be equivalent to re-establishing old conditions of armed trains, private detective agencies and all the evils for which they stand.

"Thru the national agreements," he said, "a new spirit has been born in the breasts of the workers and we will not peacefully bow down to conditions which prevailed prior to January 1, 1918." Mr. Dee declared the national agreements provided for an orderly process of handling disputes without interruption to traffic in contrast to continuous strife prior to January 1, 1918. He said that to deny the workers rights gained under the national agreements would be a step backward.

CHARGES OF MASON FLATLY DENIED BY PRESIDENT WILSON

Defends Baruch and Ryan Against Profiteering Charge

HAD NOTHING TO DO WITH PRICE FIXING

(By The Associated Press)
WASHINGTON, March 1.—President Wilson flatly denied today charges made in the house by Representative Mason, Republican of Illinois and others that B. M. Baruch and John D. Ryan had profited from the government as a result of the fixing of the price of copper during the world war.

Writing to Representative Garrett, Democrat, Tennessee, the president characterized the charges as "irresponsible gossip" and declared that he could not allow this occasion to pass without again expressing his great confidence in Mr. Baruch and Mr. Ryan.

There was not a suggestion of scandal connected with either of these gentlemen in any of the war activities in which they played so important a part, the president wrote and "I wish before the closing days of this administration again to say how admirably they served the needs of the nation and how unselfishly they devoted their talents to the government in every crisis which faced us during the critical days of the war. The president said that neither Mr. Baruch nor Mr. Ryan had anything to do with the fixing of prices and added:

"The price of copper was fixed solely by me upon the recommendations of the war industries board," the president said.

LAWSON MURDER JURY COMPLETED

INDICTMENTS ARE HARDING ANNOUNCES RETURNED AGAINST THREE MORE NAMES OF OFFICIAL FAMILY

Three Companies Are Located in State of Illinois

COMPANIES WIELDED WIDE INFLUENCE

(By The Associated Press)

NEW YORK, March 1.—Indictments were handed down today by the special grand jury investigating an alleged building material combine against 74 corporations and 40 individuals comprising an alleged cement trust. The indictments contained two counts charging violation of the Sherman anti-trust law, one alleging combination and restraint of trade and the other monopolizing and attempts to monopolize.

Among the corporations named are the Alpha Portland Cement company, the Atlas Portland Cement company, the Lehigh Portland Cement company, the Atlas Cement Securities company, the Giant Portland Cement company and the Universal Portland Cement company.

The indictments were returned as a result of evidence presented to the grand jury by Assistant United States Attorney General William Rand and Ben A. Matthews. After the indictments were handed down said "It can be reasonably expected that a successful prosecution of these combination will materially contribute to bringing about a wholesome condition in the cement industry."

The indictments say: "Some of the more reprehensible of these trade practices are what is known as 'delivery prices' are arbitrary, base, specific 'job contract' and 'warehouse deliveries'."

Wielded Wide Influence.
The government further alleged that the combination had been brought about thru the activities of the five or six dominant cement companies in the country and that their influence in the trade has been so great as to make it an easy task to either persuade or coerce the other cement companies to follow their lead.

In Michigan the indicted companies are the Newaygo Portland Cement company, Newaygo; Peerless Portland Cement company, Union City; Peninsula Portland Cement company, Cement City; Astma Portland Cement company, Detroit; Walash Portland Cement company, Detroit; Wolverine Portland Cement company, Coldwater; Wyandotte Portland Cement company, Detroit; Huron Portland Cement company, Detroit; and the Michigan Portland Cement company, Chelsea.

In Iowa the Northwestern States Portland Cement company, Mason City, and the Hawkeye Portland Cement company, Des Moines.

In Illinois, the Universal Portland Cement company, LaSalle; Cement company and the Marquette Cement Manufacturing company, all of Chicago.

FARMER REPRESENTATIVES WILL DISCUSS PLAN

Lincoln, Neb., March 1.—C. H. Gustafson, president of the National Farmers Union and vice-president of the Nebraska Farm Bureau left tonight for Chicago to attend a conference of farm journal men and members of the committee of seventeen, the market committee appointed by the American Farm Bureau Federation.

Discussing the market plan, Mr. Gustafson said sectional meetings will be called to discuss the plan. The same time about the first of April the farmers of the country will be called together and asked to accept or reject the plan.

STRIKERS RIOT IN PEORIA

Peoria, Ill., March 1.—Police answered a riot call to the Barrett Manufacturing plant tonight where disorders arising from a strike of the employees occurred.

Trouble at the factory started when a group of men on picket duty attacked Orville Buzbee as he came out of the plant. Buzbee was reported to have been seriously injured. He was taken away by the police ambulance.

A corps of deputy sheriffs was placed on guard at the plant to night and no further trouble is expected.

BACK FROM CALIFORNIA

R. C. Reynolds, who has been in Los Angeles for several months past, returned to Jacksonville yesterday to attend to various matters of business. Mrs. Reynolds will remain in California for a longer stay and it is possible that Mr. Reynolds may return to the coast state.

Only One Remains to Be Selected, That of

Portfolio of Labor—Will H. Hays is Postmaster General—No Formal Statement Has Been Issued by the President-Elect

(By The Associated Press)
MARION, O., March 1.—Three more appointments to the cabinet were definitely confirmed by President-Elect Harding tonight, leaving only one selection in his official family of ten secretaries still to be formally given to the public. The vacancy is in the portfolio of labor and an announcement assigning that is expected tomorrow.

The three whose selections were made known tonight are Andrew W. Mellon, a Pittsburgh banker, to be secretary of the treasury; Will Hays of Indiana, Republican national chairman, to be postmaster general, and Albert B. Fall, now United States senator from New Mexico, to be secretary of the interior.

In regard to none of these did the official announcement cause surprise, it having been generally known for several days that they would be included in the final cabinet slate.

No Formal Statement Issued.
No formal statement was issued in connection with the three appointments, but Mr. Harding indicated that he might have some more detailed observations to make when he announces tomorrow the name of his secretary of labor.

The man whose name has been written opposite the labor port folio in the tentative cabinet list is James J. Davis of Pittsburgh, a former steel worker, who is now supreme dictator of the Loyal Order of Moose. There has been no evidence that the designation has been changed, but activities of those who would rather see James Duncanson, of Massachusetts, or T. V. O'Connor, of New York, chosen puts a last minute turnover well within the range of possibilities.

Announcement of the three cabinet positions came in the course of a busy day for the president-elect, during which he attended to many matters of personal business preparatory to his departure for Washington. Late in the day he conferred with Major General Wood who has been selected for governor-general of the Philippines.

The meeting with General Wood left the question of his accepting the island governorship more or less in doubt, altho the confidence that he would do so was apparent among those close to Mr. Harding.

Accompanied by Mrs. Harding, the president-elect reached Marion from Florida early this morning and will remain until tomorrow evening, reaching Washington late in the afternoon of Thursday.

The Socialist society he said had a charter from the communist party hanging up in its assembly room, but that was the only evidence in the record so far as "I know of an affiliation with that organization."

W. G. Gared, assistant custodian of the Detroit, Mich., federal building, testified that 500 men taken during department of justice raids on radical centers there had been confined several days in a corridor on the top floor of the federal building. Absence of air and facilities made the place unbearably foul, he said.

Fred C. Butzel, a Detroit attorney, 128 men had been confined five months, he told of partially successful attempts of Detroit citizens to get the department of labor to take action on the cases.

FLAGS AT HALF MAST FOR NEWSPAPER MAN

Venice, Cal., March 1.—Flags were flown at half mast on Venice public buildings today during the hour of the funeral of John D. Carey, veteran newspaper man who died Sunday. The Venice and San Monica chambers of commerce and the Venice city trustees adopted resolutions of appreciation of Mr. Carey's services as a citizen. Mr. Carey worked for newspapers in New York, Chicago, Buffalo, St. Paul and St. Louis before coming here several years ago.

Everybody has appreciated the wonderful weather of recent days. Why lessen the pleasure by anticipating all sorts of stormy days before the month of March closes?

Now comes the story that the national election caused the Republican party an expenditure of \$8,000,000. This is a huge sum, but even normal expenditures in an extensive campaign run to big figures. And who can say that the result was not worth this expenditure?

In Aurora citizens have united in the project of building 500 houses for rental purposes. It is believed that as this plan works out it will help solve the house shortage problem and at the same time automatically help with the industrial situation, which by the way, is fast righting itself.

The real estate record of Morgan county for March 1 did not indicate any lessening of interest in real estate affairs. Most of the transfers recorded related to farm lands and only in a few instances did the prices show a slumping off by comparison with the values of a year ago.

Interest rates as shown in the mortgages filed give some indication of "easier" money. It's a fair statement to say that the real estate conditions in Jacksonville and Morgan county are healthy.

The proposal to extend the Roosevelt Memorial road down state will meet with enthusiastic support. No more fitting memorial could be planned than one of this kind, which will be of real public value. In no state did the former president have more admirers than in Illinois, and this was particularly true in the down state counties. So there is special fitness in the proposal to have the Roosevelt road traverse this entire state and the co-operation which will result in accomplishment of the project should immediately be in evidence.

THE LABORER A CAPITALIST

(Dr. Frank Crane in Hearts.)

One of the most absurd things to be found in this absurd world is the conflict between Labor and Capital. For they are the same thing. At least, they are interchangeable. Any labor that merely seeks to provide for present needs, and not to accumulate

a bit of capital, is only a temporary interruption of vagrancy.

A real laborer is bent on getting a surplus; a little home maybe, or some Liberty bonds, or life insurance, or something of the kind which will increase his sense of security. The chief concern of every capitalist is to find, without the slightest delay, a profitable investment for his money. Any money which is not, in one way or another, being constantly turned into labor, is quite useless—just as any labor that is not being constantly transformed into Capital, is not Labor at all, but slavery. This interdependence of Labor and Capital is, of course, an idea that is as old as the hills. But in most cases, the gigantic blunders of mankind are caused by our failure to see an Old Truth, not to find a New Truth.

The fundamental fallacy that underlies all labor trouble is the notion that labor and capital are antagonistic, and that one can prosper only at the expense of the other. Millions of men are now confused and senselessly injuring themselves and everybody else, because they do not see that labor and capital are not enemies. They are partners. The class mania, the fighters, the Capitalists who want to make laborers slaves, and the Bolsheviks who want to abolish capital are all simply wild men. The world waits for their insanity to run its course.

The reason why Capital accumulating through the centuries, has not bought, owned, and enslaved the world, is that the only way Capital can keep alive is continually to be transformed into Labor. The reason why Labor has not long ago overthrown Capital is that every really worth-while Laborer is himself a Capitalist.

Long Time Resident of County is Eighty Years of Age

MR. VASEY'S BIRTHDAY ANNIVERSARY OBSERVED

The eightieth birthday of the venerable John Vasey was appropriately celebrated at his home west of the city Sunday. In fact, it was a double anniversary occasion, as the date was the fifth wedding anniversary of Mr. and Mrs. David Brown, who had just returned from a visit to England.

An old time English dinner was served at the Vasey home, including the time honored plum pudding, Yorkshire pudding, oysters, tart, cheese, cake, spiced bread, and other good things almost too numerous to mention. Mr. and Mrs. Vasey were married in Yorkshire, Eng., 46 years ago and came to this country shortly afterward. After coming to America they settled on the farm which has ever since been their home. They enjoy the friendship and esteem of a great many friends who are now glad of the opportunity to extend their good wishes, and to hope that Mr. Vasey and his good wife may have numerous other birthdays to celebrate.

The company Sunday included Mr. and Mrs. George W. Foster, Mr. and Mrs. John R. Robinson, Mr. and Mrs. David Brown, William Denby, and Raymond Daggert. Mr. Brown has been a resident of this county most of his life but went to England for his wife, who has been a Morgan county resident for the greater part of five years.

KNIGHTS LOSE FAST GAME TO MYERS FIVE

It was a Case of Too Much Poscovor and Greens for the Knights—Costello for Knights

Too much Poscovor and Green proved a dose that the Knights of Columbus could not swallow at Liberty hall Tuesday night. The result was they were on the small end of a 25 to 11 score when the basketball game with Myers Brothers of Springfield ended.

Poscovor who has been working out with Millikin all season, proved to be in excellent fettle, and made a good running mate for Greenan. These two men proved too heavy for the Knights' players and in the second half wore them down by superior weight.

Between them they made all of the visitors points except two field baskets and were responsible for victory, for without them the scene would have been a close one. Woulfe was sick and the Knights used Costello at center. It was a good thing they did. He easily outplayed Bridges, his opponent, and scored eight of the locals' eleven points. Costello was easily the star of the contest from the Knights' standpoint. Zell and Carson, usually fine in basket shooting, were off their stride and in addition were up against some close guarding.

The game was witnessed by a large crowd and the work of the teams was frequently applauded. On Friday night the Knights play the Sangamo Electric of Springfield which is also a fast team. The Knights Reserve lost to Brown's Business college in a curtain raiser by a score of 17 to 11.

JACKSONVILLE CITIZENS HOME FROM LONG TRIP

C. N. Priest, wife and daughter, have returned from an extended vacation trip that the west and southwest, spending some time in California, Oklahoma, Texas and Louisiana. Mr. Priest states that from all accounts Jacksonville has enjoyed a pleasanter winter season than any place he has visited outside southern California and that nowhere had he struck a milder or pleasanter day that Wednesday in Jacksonville.

The family spent several days at Tia Juan, Mexico and enjoyed very much the diversion offered tourists in that city and en route. While in New Orleans, Galveston and in Memphis Mr. Priest says they encountered severe weather, and in many of the southern cities much snow and sleet.

Some time was spent in Oklahoma City where the Priest family has relatives and numerous side trips were taken to the various oil fields.

REV. A. F. KWERT VISITOR HERE

Rev. A. F. Kwert is here from Chicago for a few days' visit with Mrs. Kwert and children at the W. R. Huckleby residence on West State street. The family has been under quarantine with measles for several weeks and for that reason it has not been possible for Mr. Kwert to visit them. The former White Hall minister is now pastor of a large Chicago church. It was at the suggestion of the church board that he was released from duty for a ten day period.

RETURN FROM FLORIDA

Mr. and Mrs. O. F. Conklin have returned Jacksonville after a winter visit in St. Petersburg, Fla. Usually Mr. and Mrs. Conklin spend the winter in California but this year chose the southern climate. The closing of several real estate transactions made necessary Mr. Conklin's return at this time.

ALLEN McQUHAE IS COMING HERE SOON

Famous Young Irish Tenor to Appear Under Auspices of American Legion.

Allen McQuhae, the young Irish tenor who appears here at I. W. C. Music Hall on March 10th under the auspices of the American Legion sang recently in Detroit with the Detroit Symphony Orchestra under Weston Gales. Seven encores testified to the favor he found with the audience. In reviewing the concert the Detroit Evening News said: "Mr. McQuhae is now to Detroiters; keen interest was evinced in his performance. He sang Leoncavallo's Pagliacci aria with a sympathetic fire and understanding that made the audience call him back time and again for encores." The Detroit Free Press commented on "his powerful voice and fine dramatic effects."

Allen McQuhae was known "over there" as "the Wild Irishman" while with the American army attached to the 7th British army in Flanders and was awarded a British citation in the dispatches and also while with the 16th American Division at St. Michael mentioned for citation by the French.

At the time of our entry into the war Mr. McQuhae was not subject to the American draft, being a native born Irishman, and the English could not conscript him, so he wired to Mr. Charles Palmer, President of the Draft Board at Cleveland, O., and said, "I am willing to enlist if I can get right over." He was ordered to report at camp Tuesday at 9 a. m., and the following Friday was on his way to France with the first "hundred thousand," and three weeks later was stationed outside Soissons. He won his Lieutenant Commission in October and returned to this country June 28th, for his honorable discharge.

PREPARATIONS FOR BIG SHOW PROGRESSING

Painters and carpenters were busy Wednesday at the Auto Inn getting ready for the Auto Show and Merchants' Exposition to be held the week of March 7 to 12. The plan followed for the booths is a trellis work, covered with sign cloth and painted with the official colors of the show. A mass of bunting, flags and smilax has been received which is to be used for the walls and for festooning the ceiling. The special wiring has been completed and by Saturday it is expected to have all in readiness for the booth owners to move in.

Some idea of the size of the display can be had when it is considered that the floor space to be occupied is 150x180 feet and that that entire space will be filled with beautifully made and decorated booths all to be accepted by the various automobile, accessory and supply dealers and merchants of the city, wit h articles of especial interest.

Taken altogether this will prove the largest and best undertaking of the sort in the city's history.

"ADAM AND EVA"

AT THE GRAND

"Adam and Eva," a typical American comedy novelty by Guy Bolton and George Middleton, and produced under the management of F. Ray Comstock and Morris Gest will be the attraction at the Grand Thursday night.

Few comedies written and produced in the past decade can compare with "Adam and Eva," which was penned with one object in view—pleasing entertainment. The play, decidedly American and up-to-the-minute, possesses a theme of unusual interest which keeps one in flights of laughter from start to finish. The dialogue is so bright and crisp, the situations so exuberantly funny, that explosions of laughter follow in rapid succession. To add to the effectiveness of the play, a pretty love story is interwoven, which besides being amusing, augurs close to the heart. The cast selected to interpret "Adam and Eva" is exceptionally strong including Miss Lois Bolton, one of the best known comedienne of the present day, Mr. Coates Gwynne, Mr. Charles E. Bird, Mr. Charles Horn, Miss Rosemary Hilton, Mr. Frank H. Knight, Miss Adeyn Wesley, Mr. Fred C. Palmer, Miss Ramona Weaver and Mr. Joseph Prosser.

FORMER RESIDENT HERE

George W. Fox of Indianapolis is in the city for a brief visit with friends. He is a guest at the home of Mr. and Mrs. J. F. Shreve on South Main street.

RAILROAD CARPENTERS DO WORK HERE

Carpenters for the C. and A. railroad under direction of W. F. Regan are here completing the repair work on the Chicago and Airton stock yards south of the city. Some other equipment belonging to the railroad is also to be put in condition while the carpenters are here.

Mrs. W. A. Rigg and children left Tuesday for White Hall after a visit at the home of Mrs. Rigg's parents, Mr. and Mrs. James Dawdy, 118 Hardin avenue.

RETURNS HOME AFTER ILLNESS

A new literary organization is forming in Jacksonville, in accordance with plans worked out at a meeting held recently at the home of Frank Caldwell on West College avenue. It is the intention to hold an evening meeting once a week for the study and discussion of literature, especially with reference to writing selections of both prose and poetry. Full plans have not been outlined, but it is expected that organization will be effected at the meeting next Monday night.

A story of New York life—Of a New York son and daughter who are ashamed of their small town parents; how the old folks take intensive training in the art of social graces of society to win back the love of their children, and how they discover that their instructor in the social arts is the aristocratic fiancée of their urbanized son.

Blatchford's
Calf Meal

Saves both milk and money

Used in the United States over 39 years

Good to the last drop

THREE factors have made this famous milk-substitute feed the choice of careful and discriminating farmers and dairymen. **First**—its quality. Blatchford's is above all a quality calf meal. It contains no waste materials or by-products of low feeding value. **Second**—it contains all the nutritive and growth-producing properties required by the calf. **Third**—it is economical. It can be used at less than half the cost of using milk.

OLD JACKSONVILLE
A FORMER CITIZEN TALKS
By Ensley Moore
(Member Illinois State Historical Society)

Many of our citizens will recall Mr. E. G. Wilson, a lawyer here about 1880-5. He is now of Tulsa, Okla., and "The Tulsa World" recently gave him a long notice, part of which follows: Prof. C. W. Taylor kindly furnished the clipping:

NOTE—The following paper, written by Attorney E. G. Wilson, was read by his daughter, Mrs. W. H. Pomeroy, at a recent meeting of the Tulsa Book Club.

I presume I would not have remembered the first famous man I ever saw but for an incident, almost tragic, certainly very impressive. I was then eight years old. The occasion was a political speech by the then famous and notorious Cassius M. Clay of Kentucky. His reputation had preceded him, and among us boys he was the fearful hero of many bloody stories and it was understood that he always spoke with a large revolver lying on the desk in front of him, and there was some truth in this story, which will not seem so strange to us when we consider that this was the year preceding the war of the rebellion.

He spoke in a wooded grove in the bend of a small river, and I being very desirous of seeing and hearing him, but fearing for him to see me, crossed the stream on a bridge some distance above the speaker's stand and discovered that the great man was actually speaking.

As I was proceeding cautiously among the underbrush near the stream, some person in the audience discovered a house on fire in the nearby town and yelled "Fire!"

This, to my fearful imagination, was the signal for Cassius to shoot. I thought I had been discovered. The nearest way to town and home was directly across the stream, and not around return by the bridge.

I went the nearest way and arrived at the fire in advance of all those who took the precaution to return by the bridge.

Cassius M. Clay later added great notoriety to his fame by marrying a very young girl to whom he completely lost his heart as well as his mind, and notwithstanding she deserted him and gave him great provocation, he provided her with everything she needed, died her ardent lover and provided for her liberally in his will.

Meets Thomas A. Edison.

The next great and famous man I met is, perhaps, today the most justly famous man in the United States, probably the most famous in the world. I met him as he was tramping his way from New Albany to Seymour. My older brother was operating a pumping station on a railroad extending from New Albany to Seymour and probably to Chicago.

I was with him, when this young man of fine appearance, clean and well dressed arrived at the station, tired and hungry and probably broke. Fortunately we were provided with a well filled dinner pail, and the three of us shared it, during which the young man highly entertained us by the humorous recitals of incidents in his own life with many side passages of brilliant wit.

On bidding us goodbye he told us that he was a telegraph operator, that he was going to Seymour to get work, and that his name was Thomas A. Edison.

Recollections of Hendricks.

One of the most pleasant remembrances of my boyhood days was my introduction to Thomas A. Hendricks of Indiana. At that time I was attending school at Austin, Ind., and paying my way by working in the drug store of Dr. Rodgers nights mornings and Saturdays. On the morning of this particular day, Dr. Rodgers had invited me to accompany him to Louisville, Ky., a few hours run from our town. On entering the train Dr. Rodgers greeted Mr. Hendricks, and to my boyish embarrassment, he introduced me to Governor Hendricks. Noticing this, the governor invited me to take a seat beside him, when he proceeded to ask me many questions about my school and other things which I could readily answer and then related to me many amusing incidents of his school and boyhood days, until he put me at my ease and made me feel that I was talking to an old and congenial friend.

Then he remarked that he had to make a speech that night at New Albany and that he had to "study his piece." After promising him that I would attend his speaking I took another seat.

On that evening I heard him speak at the opera house in New Albany and during the speech the alarm of fire was given and indicated that the fire was in or about the opera house we were occupying. The audience was thrown into a state of turmoil and panic which was intensified by the noisy arrival of the fire department; but Governor Hendricks calmly maintained his position on the stage and quieted the tumult by assuring the audience that it was a false alarm and that there was no fire, which was true. After order was restored he proceeded with his speech, after remarking: "This is the first time I ever knew the fire department to be called out to subdue a Republican fake."

Ben Harrison Misjudged.

In my early days I occupied a fortunate geographical position, in that General Lew Wallace lived in the adjoining county west, and Benjamin Harrison, James Whit-

comb Riley, Thomas A. Hendricks and other famous men of that day lived in the adjoining county east. I met these famous men on many occasions; but I have not the time to cite and you have not the patience to hear the many incidents connected with these men which I can now recall. I will mention but one incident.

Benjamin Harrison, when nominated on the Republican ticket as a candidate for president of the United States, was immediately branded by the opposition as a cold-blooded, kid-gloved, silk-stocking aristocrat; but those who knew him in his home and business life, knew him to be a warm-hearted, congenial gentleman as the following incident tends to prove:

I was in Mr. Harrison's office on one occasion when the law clerk announced that a lady and gentleman in the reception room waited and desired to consult him. He asked who they were and the nature of their business. The clerk answered that one, giving his name, was the representative of one of the greatest institutions in Indianapolis, and that the other was a poor lady whose cow had been killed by a railroad company.

Mr. Harrison then directed that the gentleman be sent to his law partner, Mr. Miller, afterward attorney general of the United States, and, concluded Mr. Harrison, "Send the lady to me."

He took the poor woman's case, compelled the railroad company to pay the full value of her cow, and I afterwards learned from the lady herself, that she refused to accept as much as one cent for his services. Benjamin Harrison was a noble man and a great lawyer, a brave soldier and an able general, and one of the best and wisest presidents this nation ever had.

A Reminiscence of Beecher.

I met Henry Ward Beecher only once, and on that occasion I heard him lecture at Strawn's opera house in Jacksonville, Illinois. Many distinguished and some distinguished individuals were present, among others who occupied the stage were Senator Shelby M. Cullom, Governor Dick Olesby, Dick Yates, late governor of Illinois, and now in the United States senate, William Jennings Bryan, then quite a young man before he became famous at the ratio of 16 to 1.

On this occasion Henry Ward Beecher was introduced to Dr. Tanner, president of the Illinois college. The introductory speech was very eloquent; but unfortunately for him, in the course of his speech, he told the audience that Henry Ward Beecher was the brother of Edward Beecher, formerly a professor in the Illinois college and also to Harriet Beecher Stowe, equally famous with her brother as the author of "Uncle Tom's Cabin." Mr. Beecher commenced his lecture about as follows:

"Ladies and gentlemen: I have lived to see many evidence of my notoriety, but not popularity but tonight makes me think I have reached the climax of glory in that I find that I am a brother to my brother and also to my sister." Dr. Tanner notwithstanding stayed and heard the lecture.

I knew William Jennings Bryan in his young manhood, and, of course, I have known him ever since. We both resided at Jacksonville, Ill., and his office was near mine. The fact is, however, that he did not have an office of his own, but had desk room in the office of Brown, Kirby & Russell. By the way, Bob Russell, of this firm, was the brother of the famous actor, Sol Smith Russell.

In those days, Bryan was not of the avoidupois he now carries, and his dark and abundant hair did not suggest the bald dome which so well becomes his present age and dignity. Also at that time, he wore a full black beard, always neatly trimmed.

I have been with Mr. Bryan in many different places and on many different occasions, yet I never heard him utter an indecent or profane word, and I never knew him to do an act of doubtful propriety.

RESERVE SEATS WILL BE SOLD FOR TOURNEY

Principal Schafer Makes Announcement—Price Will Be \$3 and Will Include the Final Game.

An innovation at the district basketball tournament which will be held here next week is the sale of reserve seats for the contests. Heretofore the management has had season tickets but no attempt was made to reserve seats. At some of the tournaments in the past season tickets were sold not good for the championship game, thus compelling the purchaser to dig up fifty to seventy-five cents to see the last game.

The tickets will be sold for \$3 and will be good for the championship game. Principal Schafer announced last night that twenty-five per cent of the seating capacity will be reserved.

This will enable the management to put on sale at the beginning of each session between five and six hundred general admission tickets. No general admission tickets will be sold. The price for single admissions will be fifty cents with seventy-five cents for the championship game on Saturday evening.

Mr. Schafer sent a letter of inquiry to eleven of the cities holding district tournaments relative to the reserve seat plan. All of them reserve from 25 to 50 per cent of their seating capacity. He also asked about the prices for season tickets and found that several of them have higher prices for season tickets than is charged here.

At Joliet the price is \$4. La Salle \$3.25, Lawrenceville \$3.50, Centralia \$2.25, Quincy \$2. Six of the eleven charge \$2 but in each instance except one the seating capacity is larger than Jacksonville. Only two are not offering reserve seats.

Arrangements are practically completed for the local tournament. The officials have been selected and the drawings have been made. Mr. Schafer has not as yet received them.

Jacksonville has been rounding into shape fast in recent weeks and at the present time Coach Mitchell's squad is looked upon as one of the probable championship possibilities. The team will play Virginia Friday night and the price of admission will be 25 cents the increased seating capacity enabling the management to reduce the price from 35 cents. On Saturday night Chapin high will play and Mitchell will be his second string men. It will be the last opportunity to see the boys in action before the tournament and no doubt large crowds will greet them on both occasions.

TANDY FUNERAL IS HELD AT FRANKLIN

Final Services for Late Orin E. Tandy Took Place Tuesday Morning—Masons in Charge of Services at Grave.

Funeral services for the late Orin E. Tandy were held at the home of Mrs. C. I. Glenn in Franklin at 10 o'clock Tuesday morning. The services were in charge of Rev. M. L. Pontius of this city, assisted by Rev. S. H. Kuntz, pastor of the Franklin Christian church. The house was completely filled with relatives and friends of the deceased, who was so well and favorably known in Franklin and vicinity.

Music was furnished by the choir of the Franklin church, including Dr. and Mrs. H. J. Henderson, Miss Lou Duncan and Charles Teaney. Two solos were given by Miss Fern Haigh of this city, who sang "Face to Face," and "Shadows."

The services at the grave were in charge of the Masonic order, members of the order from this city and of Franklin marching in a body to the cemetery. The pall bearers were W. A. Crawley, W. P. Spillman, W. D. Doring, Edward Kinney, George Moore and C. R. Johnson.

Members of Caritas lodge here attended in a body the services in this city Monday afternoon. Both Mr. and Mrs. Tandy have long been active in the affairs of this lodge.

"Japan" was the topic of yesterday's meeting of the East Side club held at the home of Mrs. O. N. Barr, 325 South Church street. Mrs. D. E. Kennedy had the first paper on "Foreign Influence in Japan." Mrs. J. W. Brown gave a description of the "Temples and Shrines" of Japan and Miss Wackerle talked on "Japanese in art and industry."

The members responded to roll call with "Peculiarities of Japan." All the papers were treated in such a way as to make the afternoon one of great interest and enjoyment. The members enjoyed a pleasant social hour after the program and the hostess served afternoon tea.

Gold Wedding Anniversary.

Forty years ago yesterday Miss Mary S. Spires, daughter of William T. (Sr.) and Margaret R. Spires, became the bride of Isaiah Whitlock, at the home of Mr. and Mrs. William T. Spires, Sr., who then resided about one mile northeast of Youngblood Baptist church, Morgan County, Ill. They were married by Isaac Hill, J.P. The home of Mr. and Mrs. Whitlock now is and has been for 50 years in part of the same house, on the same site about seven miles southeast of Murrayville, Ill. Mr. Whitlock is a retired school teacher and farmer having taught school in Morgan and Greene counties 44 years without missing a term. He then dropped out three years, then taught another term of 7 months. Their record of fifty years of married life is seldom equalled.

Notwithstanding the fact that Mr. and Mrs. Whitlock have lived so many years, they are enjoying reasonably good health. Isaiah Whitlock, son of Luther and Sarah Whitlock was born near where he now lives, July 22, 1848. Mr. and Mrs. Whitlock are the parents of six children: Martin Luther Whitlock, who died Dec. 18, 1885; Ewen Irvin Whitlock who died Jan. 22, 1920. Those living are Mrs. Lula M. Chambers, East Moline, Ill.; H. T. Whitlock, Jacksonville, G. C. Whitlock, Murrayville Precinct and Bertha L. Whitlock, at home with her parents.

LEAVE ON EXPEDITION TO BRITISH GUIANA

Two Young Americans to Search for Wealth in Diamond Deposits in South America—Will Operate in Inaccessible Area.

NEW YORK, Feb. 26.—Two young Americans sailed from this port recently for South America to search for a vast store of wealth supposed to lie in the "chimney of the diamond deposits of British Guiana. At Georgetown, the capital of the British possession, they will be joined by a third adventuresome American who has outfitted in Paris.

The expedition is under the patronage of Harvard University and the Smithsonian Institute of Washington, for which it will carry on geographical explorations. William J. LaVarre, Jr., a Harvard graduate of 1919, heads the party and his fellow explorers are James MacDonald, of Lima, Ohio, and Dudley Lewis, of Springfield, Mass. They expect to spend more than a year in the jungle.

Besides an attempt to follow the scattered deposits of precious stones several hundred miles thru tangled, reptile infested wilderness to their source, long known to exist somewhere in the hill country but never discovered, the expedition will take observations of the aboriginal inhabitants and geological features of the country, as well as capture specimens of native wild animals for the Smithsonian Institute.

Details of Project Outlined.
Before his departure on the Brazilian steamer Uberaba, Mr. LaVarre outlined details of the adventuresome project. Though still in his twenties the young explorer has accompanied three expeditions to South and Central America, including a difficult mission into the heart of the Andes.

After provisions are provided at Georgetown the expedition will board a canoe houseboat with a crew of a dozen to twenty oarsmen and laborers, and begin its journey up the Essequibo river, passing out of the area settled by white men in a few days paddling. After that it will penetrate the tropical jungle entirely on its own resources.

Establishing headquarters in the prairie country the diamond hunters will begin work on the alluvial lands bordering streams on the eastern watershed of the Sierra Pacaraima Mountains which separate British Guiana from Venezuela.

Rich Diamond Field.
The area in which the expedition will operate has been known since the middle of the last century as a rich diamond field, although its inaccessibility prospecting by white men. Thousands of carats of the gems, said to be as fine as any in the world, however, are taken out annually by negro miners employing primitive methods.

Somewhere near every spot where diamonds are found in considerable numbers there must be a "chimney," explained Mr. LaVarre. "There is no telling definitely where the Guiana 'chimney' is located, but we mean to find it and are basing our expectations on more than speculation. Study of data collected by other explorers and prospectors, as well as my own observations, indicate that it is within a certain area near the Venezuela border."

He added that the quality of stones taken from the vicinity where his party will work points to a "chimney" as rich or richer than those of the South African diamond fields.

Animals which will be taken for the Washington zoological garden include tigers, anteaters, jaguars and monkeys, as well as a variety of tropical birds.

PRESBYTERIAN MEETINGS AT WOODSON CLOSED

The special services at Unity Presbyterian church of Woodson closed Sunday last, after two weeks of intense and spiritual uplift. Rev. Charles F. Record's work was of the highest type of Christian helpfulness. The speaker continually urging the possibilities of individual service in the church, among the young life of the community and thruout the general activities of the community. His musical program with the assistance of the orchestra was an inspiration to all. Mr. Record interpreted many of the well known gospel hymns in such a way as to make them live anew to these assembled.

Decisions for Christ was urged each night of the second week; and twelve people, young and old publicly confessed Christ as their personal Savior.

The young people of our community will long remember Mr. Record for his special interest in them, going for hikes and making life pleasant for them in various ways of fun and frolic. We are glad our meetings and believe our community is much the richer and has deeper visions of a service for Christ right here in Woodson than ever before. Let us keep the good work going.

Rev. Mr. Powell is starting a class of instruction for the young people next Friday, March 4 immediately after school in the afternoon, this class will furnish its special work Easter week when the young folks will be received into the church.

NOTICE.

The Morgan County Breeders and Feeders Association will hold a special meeting and banquet at 7 o'clock, Thursday, March 3, at the Pacific hotel. The purpose of the meeting is to arrange for a livestock show late this summer or early fall. All members expected and each will be permitted to bring a friend. Please make reservations thru Farm Bureau not later than early Thursday morning.

RICKARD NOW SOLE PROMOTER

Gives Check for \$66,666.66 Representing Brady-Cochrane Interests.

New York, Feb. 28.—Tex Rickard, boxing promoter today took over the interests of William A. Brady of New York and Charles H. Cochrane of London in the world's heavyweight championship match between Jack Dempsey and Georges Carpentier which the three promoters originally agreed last November to stage in 1921. At the same time that Rickard handed to the attorney for Brady who is Cochrane's New York representative a check for \$66,666.66 representing Brady's and Cochrane's share of the \$100,000 posted by the promoter on signing the papers, he announced officially that the match would be held Saturday, July 2.

Rickard announced however, that the location for the bout, which was to have been known tomorrow, had not yet been selected, and that he had asked the two boxers for a 30 day's extension.

IMPOSES LIGHT FINES ON SPECTATORS

Hull, Que., Feb. 28.—In imposing light fines today on 36 spectators of a cock fight, taken in a raid yesterday, Recorder Desjardens said: "In view of the fact that I have been engaged in endeavoring to secure the Dempsey-Carpentier fight here, I do not see how I could treat this cock fight as a serious offense. It is sport, just the same as the other fight."

**WILLIAM SCHILDMAN
PASSED AWAY TUESDAY**

Well Known Cigarmaker Dies
Tuesday Morning—Funeral Ser-
vices Will be Wednesday.

William Henry Schildman passed away at his home, 339 East Wolcott street Tuesday afternoon at 1:40 o'clock. He was born at Quincy, Ill., September 9, 1855.

On August 5th, 1879 he was united in marriage to Miss Elizabeth Peter. To this union there were born three daughters and four sons, two of whom have preceded him in death. Those who survive him are his widow and the following children: Mrs. John Godfrey, Mrs. Frank Winters, William H., Walter J., George E. Schildman and thirteen grandchildren, all of this city.

He was a kind and loving hus-

band and father whose taking away will leave an aching void which time alone can soften and make hallowed the memories which will linger with his family thru life.

He was always an honest, upright and respected citizen and had resided in this city since 1888. He was a member of long standing of Adams Lodge I. O. O. F., No. 365 of Quincy, Ill., the Cigar Makers International Union, and the Court of Honor.

The funeral services will be held from the residence on Wolcott street in charge of Rev. D. V. Gowdy and at the grave by Illini Lodge No. 4 Odd Fellows. Interment will be in Jacksonville cemetery.

Howard Pennell of Murrayville made a business expedition to the city yesterday.

**MADE ADDRESS TO
NURSES OF DISTRICT**

R. W. Woolston Described Work for the Blind at Baltimore Institution.

The regular meeting of the nurses of District No. 13 of the Illinois State Association of Graduate Nurses was held at Passavant hospital Tuesday afternoon. An address was given by R. W. Woolston, managing officer of the School for the Blind, whose theme was "The Re-Education and rehabilitation of blind soldiers in the Red Cross institute in Baltimore."

Mr. Woolston also talked of the welfare work among the handicapped in general. The great movement toward the betterment of the condition of these unfortunate which has taken place in the past few years is largely due to the inspiration received from the results accomplished with blinded soldiers.

At the close of his address, Mr. Woolston conducted a practical demonstration of the work being done for the blind. Pupils from the institution were present and illustrated various lines of their work, under the direction of their teachers. Mr. Woolston's address proved very instructive to all who heard it and witnessed the demonstrations. He is especially qualified to discuss the work among blinded soldiers, as he has visited and inspected the institution at Baltimore. While there, he addressed the men in the school. This institution is under the management of the federal government, and is one of the many schools of various kinds which the United States has established to fit its crippled soldier boys to earn their way in the world of the civilian.

**REALTY TRANSFERS
RUN TO LARGE TOTAL**

Many Transfers Made Matter of Record Tuesday—Volume of Business Larger Than on Same Date Year Ago.

Tuesday was a very busy day in the office of Circuit Clerk and Recorder Frank Wamamaker. The number of instruments filed was not quite up to the record of March 1, 1920, but the total of fees received was larger, indicating that the value of transactions was greater than that on the same date a year ago. The following transfers were recorded:

Oscar M. Petefish sold to Anton Bergschneider the east half of the southwest quarter, 22-16-10, comprising 80 acres, consideration \$1. This tract is located about two miles south of Litterberry.

Sidney P. Jones transferred to M. S. Zachary 40 acre sdescribed as the southeast quarter of the northeast quarter 31-15-10, for a consideration of \$13,000. This land is situated about a mile and a half south of the city.

Clifton Corrington sold to Margaret McColom pt. lot 6 in Ayers sub-division, consideration \$1. This is the residence property on West North street formerly owned by Mrs. G. T. Wiswell.

Rosie G. Rucker et al, transferred to W. H. Lindsay, 40 acres described as the northwest quarter, northeast quarter 14-16-10, consideration \$1. This tract is about a mile southeast of Litterberry.

A. W. Petefish transferred to A. O. Petefish, pt. east half west half southeast quarter 3-16-10, consideration \$1. This tract is located about a mile northwest of Litterberry.

James M. Litter sold to Ona E. Crum the south half of the northeast quarter, southeast quarter 16-16-10, \$1. The land transferred lies about a mile east of Arcadia.

Harry Walsh purchased part of the southwest quarter of 6-14-8, including 40 acres, and William Berchold purchased 40 1-2 acres adjoining. This land is two miles south of Alexander and was formerly owned by T. E. Cockin. The purchase price was \$290 per acre.

J. P. Yeck sold to Fred C. Brainer, the west half of the southwest quarter, etc., in 12-16-12, for a consideration of \$41,746.25. This tract lies a short distance northwest of Concord.

Charlotte A. Wells transferred to Myron Epler the west half of the southwest quarter of 8-15-9, for a consideration of \$10. This was a tract of 160 acres located about six miles northeast of Jacksonville. Mr. Epler then transferred the tract to C. M. Coons.

C. M. Coons transferred to Sarah Coons, the east half of the northwest quarter of 17-15-9 for a consideration of \$1. This land lies about 6 miles northeast of Jacksonville.

Maria Crisler to J. D. Fitzsimmons, lot 8 in Chambers second addition, consideration \$1. This property is situated on South Clay avenue.

Cora F. Hart et al. by master in chancery transferred to Louis L. Jokisch, 80 acres described as the east half of the southeast quarter 3-16-9, consideration \$30,000. The tract lies just north of Jordanville.

O. F. Conklin sold to John R. Wilson the east half of the southwest quarter, etc., 9-15-11, consideration \$10. This was formerly known as the Milton Long

farm and is located on the Chapin road about 7 miles west of Jacksonville.

D. A. Sevier transferred to the First State Bank and Trust Co. of Springfield the west half of the northeast quarter of 8-13-8, consideration \$18,000. Mr. Sevier also gave a deed to the bank to the west half of the northeast quarter of 35-13-9 for a consideration of \$15,000.

The first tract is situated about two and one-half miles west of Waverly and the second one transferred lies about four miles southwest of the first one.

Emlin D. Cully transferred to Ida May Black pt of the southeast quarter of 36-16-11, for a consideration of \$1. This tract is situated just northeast of Joy Prairie station.

J. Weir Elliott as administrator transferred to O. F. Conklin the 160 acres described as the southeast quarter of 19-14-9, consideration \$52,514.88. This land is in Pisgah precinct and a part of the Coates estate.

Edmund Blackburn sold to Henry Wier, the 180 acres described as the west half of the southeast quarter of 30-16-10, consideration \$1. This is the Blackburn homestead in Ebenezer neighborhood six miles northwest of Jacksonville.

J. W. Elliott as administrator transferred to Lena Arnold lots 10, 11 and 14 West Jacksonville, consideration \$7,500. This is the residence property at the northwest corner of Westminster street and West College avenue.

Sadie W. Bayha transferred to Ray W. Walker, lots 41 and 42 in Sanderson's addition to Jacksonville, \$1. These lots are located on Goltra avenue.

Charles Ronney transferred to F. P. Dawson the east half of the northeast quarter, 1-13-11, consideration \$1. The land transferred is located about four miles north of Arnold station.

Andrew J. Rubie transferred to Anna Lohman, the north half of lot 29 in Duncan's northwest addition to Jacksonville for a consideration of \$1. This is a residence property on North Church street.

Leslie Lewis sold to Louis J. Wahl, 50 acres described as the north end of the east half of the northeast quarter, etc., in 20-14-10, consideration of \$1. The land transferred is situated a mile and a half northwest of Woodson.

R. S. Wood sold to Charles Ronney part lot 2, block 5, city addition, \$1. This is the old Oliver residence property on North Church street, which is occupied by Norman Dewese and family. Mr. Ronney sold the property to J. J. Shafer of Memphis, Tenn., a former resident of this city.

About the largest transfer of the day was that of William J. Houston to William Kleinschmidt, whereby the latter has become the owner of the northwest quarter of 22-15-11, and the southwest quarter of the northwest quarter of 22-15-11. This tract of 200 acres is located about one-half mile south of Markham and the consideration was \$55,000.

Ralph Goltra sold to W. T. Richardson the east half of the northwest quarter of 28-15-11. This 80 acres of land is about one-half mile north of Point church. It was purchased by Robert Allan under contract from Mr. Goltra about six weeks ago, and subsequently Mr. Allan sold his contract to Mr. Richardson.

Announcement — Faultless Weavever Rubber Goods represent the greatest Rubber Goods VALUES in America. In order to participate with leading druggists all over the country in a national movement for better health and greater comfort in the home, we have set aside the week of March 5th to 12th as Weavever Rubber Goods Week. During this

week we will display and offer for your approval a most complete line of every home convenience and health help that is made of rubber.

We solicit a call. We want you to compare values and determine for yourself that Weavever Rubber Goods are the most economical to buy and the most satisfactory to use.

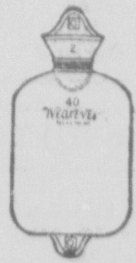

Here are Two Most Essential Health Conveniences for Your Home

No. 24 Weavever Fountain Syringe —is recognized as the perfect syringe for intestinal flushings, irrigations and to promote personal hygiene. It is also moulded in one piece throughout; tubing is seamless, rapid-flow and is fitted with screw pipes of correct design. No. 24, like No. 40, is made from fine quality rubber. The larger size of No. 25 (size 3) is generally preferred because its greater contents render more efficient service.

No. 40 Weavever Water Bottle—Made

in six size—is the most durable, economical and useful Water Bottle to buy. Customers who have used it for years will tell you so. Strong, well made, moulded in one piece, without seams or bindings to leak. It is good for both HOT and COLD applications. Never be without No. 40 to give comfort or ease pain.

MIDWINTER CONCERT AT
STATE STREET CHURCH

Program of Great Worth Presented by Conservatory Faculty as Passavant Hospital Benefit.

Last evening the annual Midwinter Concert of the Illinois College Chorus and the Conservatory Orchestra was given in State Street Presbyterian church before an audience of good proportions and appreciative spirit. These musical events are anticipated with pleasure by the many friends of the College and Conservatory, where offerings are always of a high order showing a steady adherence to lofty artistic goals.

The program offered this year was well chosen and not too long. It opened with an orchestral group of numbers, the Caucasian sketches by Ipanow. One had a right to expect oriental color and variety in these Slavic compositions, and was not disappointed in his expectations. The exotic harmonies, the weird and sombre melodies, the stirring rhythms, were all there, and were well brought out by the orchestra under Mr. Kritch's decisive baton. Particularly thrilling was the "In the Village," in which some exquisite pianissimos appeared. It is probable that Mr. Kritch's Slavic blood enables him to interpret with such sympathy these Russian sketches.

In the lighter music of the Delibes Ballet the orchestra revealed an excellent ensemble and remarkable precision of attack. There were some lovely passages for clarinet, cornet and 'cello, and Mr. Quast's skillful handling of the instruments of percussion added greatly to the effectiveness of the Suite, while the string section stood out for its smoothness and good tone as it did in the first numbers. Both Conductor and Orchestra are to be congratulated on the finished performance.

The Chorus, which is smaller than usual this year, produced, under Mr. Quast's inspiring baton, many beautiful effects in music and pianissimo, and also were able to get some surprisingly climatic results. The two short choruses, compositions, both of them, of great musical beauty, were sung with the serenity and religious fervor that belong to them.

In the Gounod masterpiece, the St. Cecilia Mass, Mr. Quast brought out from this comparatively small body of singers an astonishing variety of expression, showing that he has the composition well in hand and can interpret it with true sympathy and authority. Its churchly character was well sustained throughout.

Great praise is due the soloists of the evening, Mrs. Barr Brown did some of the loveliest work that has been heard from her, the fervent beauty of her voice revealing itself to particular advantage in the Gounod melodies. Mr. Wilder sang the difficult tenor part in a masterly manner, maintaining the oratorio style most creditably, and fitting in well in the ensembles. Mr. Gunn, whose splendid bass voice was heard frequently last year, and who has been pursuing his vocal study in Chicago this past winter showed the results of study in the greater variety and better enunciation and breath-control. It was a pleasure to hear him again.

The proceeds of the concert were devoted to Passavant Hospital, and it was pleasant to note that every seat in the church was occupied. The weather was ideal so that many people took advantage of the good roads to come in from the surrounding towns. The trustees of the hospital wish to express the deep appreciation of the action of the

Conservatory faculty in arranging this benefit concert.

Mention must be made of the praise-worthy accomplishments of Miss Edna McCurley, who played accurately and with true musical feeling.

The program was given by the Illinois College chorus, conducted by Clayton C. Quast; the Conservatory Orchestra, conducted by William E. Kritch; Mrs. Barr Brown, soprano; Hackett Wilder, tenor; George Gunn, bass-baritone.

Deaths

Fitch.

Frances Fitch, the eight-year-old daughter of Mr. and Mrs. C. O. Fitch of 474 South East street, passed away at 4:45 o'clock Tuesday morning at the family residence. The child suffered an attack of pneumonia several weeks ago, and after improving in condition, relapsed and gradually grew worse in condition.

She was born in this city eight years ago and was a pupil at the Franklin school, at the time of her death, being in the third grade at that school.

Left to mourn her early departure are her parents, two sisters, Ruth and Grace Fitch; three brothers, Earl, Harry and Clyde Fitch.

The remains were removed to the Gilman funeral home, where funeral services will be held at 2:30 o'clock Thursday afternoon. Rev. W. H. Marbach of State Street Presbyterian church will officiate. Burial will be in Diamond Grove cemetery.

Correa.

Miss Mary Correa, a life long Jacksonville resident, died at 2:45 o'clock Tuesday morning at her residence, 335 East College street.

The deceased was born here Jan. 17, 1853, a daughter of Manuel and Lenora Correa. She was a member of Northminster Presbyterian church.

Surviving is one brother, William Correa, of this city.

The remains were removed to the Gilman funeral home and prepared for burial. Funeral services will be held there at 2:30 o'clock this afternoon with the Rev. W. E. Spoonst officiating. Interment will be in Jacksonville cemetery.

C. L. Coffin of Decatur was called to the city on business yesterday.

JACKSONVILLE IS ON
ROOSEVELT ROAD

Plan Outlined for Memorial Highway Described—This and Other Subjects Discussed at Good Roads Association Meeting.

A meeting of the Morgan County Good Roads association was held at the court house Tuesday night in accordance with a call issued by W. E. Sullivan, president of the organization. Officers, members of the executive committee and others were present to discuss plans for increased membership and other matters relating to the affairs of the organization and general road betterments in Morgan county.

Mr. Sullivan referred to a recent trip to Springfield and his belief that the only sure way to get hard road work done is to continually call the matter to the attention of the state highway department.

R. Y. Rowe told of recent conversation with Col. Miller of the state department, indicating that it is the intention to build the hard road thru from Springfield to Pittsfield during the present year. L. V. Baldwin made mention of the law now before the legislature which proposes that oiling shall be done at state expense on state aid roads until such time as hard road construction can be undertaken.

Bert Henry of Woodson was one of the out of town members present and there was some discussion of an effort to have the south road from Jacksonville changed so that it will run thru Woodson. V. R. Riley agreed thoroughly with President Sullivan's idea that there should be a large membership of the association and that interest in membership could be increased both by visits to the various precincts and the holding of meetings.

L. T. Potter, secretary, read paragraphs from an article in last Sunday's Tribune in which a description was given of the "Roosevelt Road" which it is proposed to build down state and route thru Jacksonville. On motion of Henry Frisch it was decided for the association to communicate with the Chicago people protesting this road and to assure them of hearty cooperation of people here. Some paragraphs from the Tribune article are given herewith:

"A plan, which, when completely carried out, will see an ideal touring thoroughfare winding thru all of the important and historic spots of Illinois, is rapidly gaining headway in Chicago. The proposed highway—it will be called 'The Roosevelt Road'—will be a continuation of the Roosevelt road that runs west from Chicago to Wheaton. It is being pushed by the Roosevelt Memorial association.

"The plan, fostered as a tribute to the memory of the late president, was offered at a meeting of the Union League club on Feb. 14. After the announcement of Col. C. R. Miller newly appointed director of public works, and many other officials promised their support.

"Roosevelt road is now completed from Michigan boulevard to Wheaton. The proposed road will run thru Wheaton, Geneva, Ottawa, Starved Rock, Peoria, Pekin, Jacksonville and on down thru the Illinois Valley to St. Louis."

The road will be paid for by the various counties, the state and the federal government, according to the plans. The plan is to be placed before the legislature in the immediate future.

"This proposal is a matter of great importance to future generations," declared W. F. Carlson, executive secretary of the Roosevelt Memorial association. "The linking of that will take in the beautiful scenery of the Illinois, and giving it the name of Col. Roosevelt, is a step in history."

"It was stated at the meeting that there now exists a number of highways running thru the state, one of them a continuous hard road from Chicago to St. Louis. The latter may be called purely commercial, while the proposed Roosevelt way will link up the finest patriotic sentiment with the best points of interest in our own state."

It is planned to organize a tour of the proposed right of way as soon as the weather permits. Engineers, members of the Roosevelt association, highway officials and influential citizens from points along the highway will be invited.

At the meeting at the Union League club the state was represented by Col. Miller, S. E. Bradt, superintendent of highways; Thomas G. Vennum, assistant director of public works and Clifford Older, chief engineer. The Roosevelt Memorial association was represented by Frank G. Logan, Jens Jensen, Fredrick W. Perkins, Howard V. D. Shaw and W. F. Carlson.

ESCAPED INJURY
WHEN TEAM RAN AWAY

Louis Fernandes had a narrow escape from injury Tuesday afternoon when a team he was driving ran away. The horses were frightened near the railroad on East State street and dashed madly to the square, where they came into collision with a post. Mr. Fernandes had previously fallen from the wagon under the wheels but escaped without serious injury. The team and wagon are the property of the State School for the Blind.

MET BURGLAR
IN DARK HALLWAY

James T. Ellis Had Unpleasant Early Morning Experience

James T. Ellis of 211 Pine street had an unpleasant experience with a burglar at an early hour Tuesday morning. As Mr. Ellis was groping his way thru an unlighted hall he ran squarely into the intruder. Quick as a flash Mr. Ellis seized the man about the body but let go his hold when the burglar threatened to shoot. The matter was reported to the police but there was no clue to the identity of the intruder.

The burglar had ransacked the house, tho nothing was missed other than a watch and \$1.50 in money which had been in the pockets of Mr. Ellis' trousers.

New Home Sanitarium

Incorporated

A Private Surgical Hospital

Thru its Public Health Department Says:—

Your LAST CHANCE should not be wasted just because someone, the physician, told you that your time has about come to answer that roll which only angels understand. Life is too sweet to let anything stand between you and its extension. There is wisdom in "I'll try as a last resort The New Home Sanitarium, 323 W. Morgan Street." Many have found there, that it was a serious error when they were told that the angels were knocking at the door. Bear in mind that the nurses and surgeons of The New Home Sanitarium are never happier than when relieving the suffering or extending leases on borrowed physical frames. Don't wait as so many have, until that last chance is about gone and then blame us when we can't put life in dead bodies. Death brings the millionaire and the tramp to the same cold bed. Don't wait—unless you are getting "Homesick."

MURRAYVILLE FAMILY
MOVES TO WHITE HALL

J. W. Wright and Family to Become Greene County Residents —Thomas Ramsey Leaves for West Virginia—Other Murrayville Items.

Murrayville, March 1.—J. W. Wright and family moved Monday to their new home in White Hall. Their many friends in this vicinity regret having them leave but unite in wishing them success and happiness in their new location.

Mrs. Ethel Rousey and daughter of Manchester spent the week-end with relatives here.

Thomas Ramsey left Monday for Hinton, W. Va., to accept a position there.

HAD TERRIBLE COUGH
AND NIGHT SWEATS

Cough About Gone, Eats and Sleeps Well, and Gained 12 Pounds

"In December, 1913, I had a fearful cough and my physician ordered me to change climate immediately. I went to San Antonio, Texas, and entered a sanatorium. Left there and came to Oklahoma City in October, 1915. Had no appetite, could not sleep, had night sweats and was losing from one to three pounds a week. I also had catarrh of the bowels which the doctors had been unable to relieve.

"Relatives urged me to try Milks Emulsion. I did so and began to improve, slowly at first, but steadily. My weight has increased 12 pounds, I have no temperature, and my cough is about gone. I can eat heartily, sleep well, and am working at my trade again."

V. W. Neff, 610 No. Dewey St., Oklahoma City, Okla.

Nature does wonders in fighting off disease, if given the chance. Milks Emulsion is a powerful help in providing strength and flesh. It costs nothing to try.

Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. Chronic stomach trouble and constipation are promptly relieved.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream.

No matter how severe your case you are urged to try Milks Emulsion under this guarantee. Take six bottles home with you, use according to directions, and if not satisfied with the results, your money will be promptly refunded. Price 75c and \$1.50 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.—Adv.

bert Knoepfel and E. D. Beird gave a theatre party Saturday evening in honor of Mrs. G. W. Reese, who left Monday for her new home in Lewiston and also for Mrs. Ralph Warren, who will leave town as soon as a desirable location can be found.

At 9:30 o'clock the party went to the home of Mrs. Beird where a social hour was spent and refreshments were served by the hostesses.

Useful in Every Home

Springfield, Ill.—"When I was a little girl my father used to doctor all of us children with Dr. Pierce's remedies. I remember well Dr. Pierce's Compound Extract of Smart - Weed for cramps and pains, and the pellets for sluggish liver and constipation. These were very satisfactory. In later years I have used Dr. Pierce's Favorite Prescription in my own home as a tonic and nerve for my young daughters and it also proved itself to be most satisfactory. Dr. Pierce's remedies are safe and reliable for home use."—Mrs. Myra Whitcomb, 1605 E. Edwards St. At all druggists.—Adv.

WHY BE AFRAID
OF GOOD FOOD?
Eat What You Like Best But Follow It With a Stuart's Dyspepsia Tablet

When the stomach sours or becomes gassy, with heartburn, it needs the alkaline effect to offset the acid condition. This you get

from one or two Stuart's Dyspepsia Tablets.

Relief is usually very prompt. The regular use of these tablets after meals gives the stomach and small intestine substantial help to digest food and you will then be bold enough to eat baked beans, fried eggs, sausage, buckwheat cakes and many other things you thought would make your stomach miserable. Get a 60 cent box of Stuart's Dyspepsia Tablets at any drug store and you will then eat whatever you like and be fortified against the acid, sour stomach due to indigestion or dyspepsia.—Advertisement.

Candy parties
are great fun!

Invite your boy and girl friends and make Karo
candies at home—lots of sport—costs little

DID you ever have a candy pull? If you didn't you don't know the fun you're missing. With Karo you can easily make the most delicious taffy for a candy pull.

The real fun in a Karo Candy Pull is where everybody tries to stretch the taffy the farthest.

Karo Candies cost very little, because Karo is so reasonably priced. When you make Karo Candies at home you get delicious and wholesome candies.

In case there's no Karo in the house at present, you'll find your grocer has plenty of it. Get your friends together this evening, and see the fun you have. And how much they'll really like delicious Karo Candy.

Here is a dandy recipe:

KARO CANDY FOR PULLING

1 cup Brown Sugar 2 tablespoons Maltol

1 cup Karo

1 tablespoon Lemon Juice

Cook together without stirring till brittle when tested in cold water. Pour into oiled pans until cool enough to pull.

Litchfield Woman Was Almost Helpless When She Began Taking Tanlac

"I don't believe anybody is any more grateful to Tanlac than I am," said Mrs. Susan E. Bandy of 916 N. Locust street, Litchfield, Ill.

"Nobody could have stomach trouble any worse than I did. After every meal I would suffer from indigestion, my food would sour and gas would rise in my throat until I would almost suffocate. I shudder even now when I think of those awful smothering spells.

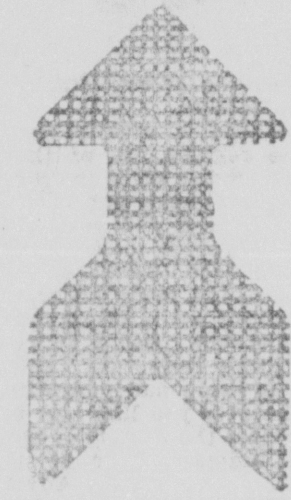

"Then rheumatism set in in my arms and hands. For a long time I couldn't hold a thing in my hand, not even a hair brush or comb nor a knife or fork. I was almost helpless. This was the condition I was in when I started taking Tanlac and it certainly was a big surprise how this medicine helped me. It benefited me in every way.

"I haven't a pain or an ache now, nor a sign of indigestion. I don't even have the headaches I used to be subject to. Tanlac has certainly been a boon to me and I will praise it the longest day I live."

Tanlac is sold in Jacksonville by Coover Drug Co., Wyle Drug Co., Franklin and Waverly, and leading drug store in all cities.—Adv.

Daily Market Report

PRICE OF WHEAT AVERAGED HIGHER

By Associated Press.
CHICAGO, March 1.—Uneasiness over political tension in Europe tended today to make wheat prices average higher. The market closed firm at the same as yesterday's firm to 15c up with \$1.66 and May \$1.57 to \$1.58. Corn gained 1/8c to 1/4c, oats 1/4c to 1/2c and provisions 25c to 52c.

News at hand that allied military and naval forces were massing to coerce Germany and that the reparations conference at London had quickly thrown aside Germany's financial plan, the bulls in the wheat market showed a disposition to pick up courage somewhat. Upturns in values, however, were counteracted to a considerable extent by estimates that farm reserves amounted to 27,000,000 bushels more than last year. On the other hand gossip was current that consignment notices showed a falling-off inasmuch as rural selling to avoid March 1 taxes was at an end.

Taken as the whole trade was light and the market easily influenced with shorts covering at the last.

Corn and oats were strengthened by assertions that consumption of both food-stuffs since last harvest had been the largest in the history of the country despite a decrease in the number of farm animals.

Provisions advanced in line with hog values.

GERMAN PROPOSALS AFFECT MARKETS

By Associated Press.
NEW YORK, March 1.—Quoted values in the stock market experienced additional severe impediment today.

A heavy tone ruled at the outset but this was intensified when cables from London indicated that the German proposals to the reparations commission had fallen short of expectations.

During the mid-session announcement was made of the passing of the Kenecott Copper and Columbia Graphophone dividends.

Statements of poor earnings including that of the American Woolen company which retained its dividend rate however, were factors which contributed to the additional crumbling of prices.

General Asphalt declined almost nine points and kindred shares notably Mexican Petroleum and Royal Dutch lost one to two points. Other specific instances of weakness embraced Atlantic Gulf at a new low record, steels, motors, tobaccos and sundry specialties at gross recessions of 1 to 5 points.

Rails of the Pacific type falling 1 to 3 1/2 points.

Covering in steels, oils and shippings effected moderate improvement at their regular close. Sales amounted to 600,000 shares. Trading in bonds was broad with recoveries in liberty issues, but the general list including convertible rails and individuals as well as international was irregular. (Total sales) (par value) \$9,175,000.

VIRGINIA GIRL IS
BRIDE OF OREGON MAN

Miss Dorothy M. Biddlecome and Howard M. Gridley United in Marriage at Virginia—Other News Notes of Interest From Cass County.

Virginia, March 1.—A very pretty wedding occurred at four o'clock Sunday afternoon, when Miss Dorothy May Biddlecome, youngest daughter of Mr. and

Mrs. Horace Biddlecome, became the bride of Mr. Howard M. Gridley of Portland, Ore. The ceremony was performed by Rev. C. E. French of the Church of Christ, at the home of the bride's sister, Mrs. G. H. Widmayer. The young people were unattended. The youthful bride was very charmingly arrayed in a gown of white crepe de chine.

The guests were only the relatives and a few intimate friends of the young people.

The house was very prettily decorated for this wedding occasion, white and yellow being the predominating colors in the various rooms. Following the ceremony a buffet luncheon was served.

The bride is a daughter of Mr. and Mrs. Horace Biddlecome, well known residents of Virginia. She is a young woman of especially personal personality and has hosts of friends in her home community.

Mr. Gridley is the youngest son of Hon. J. R. Gridley of Long Branch, Cal., and grew to manhood on this city. For the past few years he has been engaged in the mercantile business with his brother-in-law, A. H. Helfrich, in Portland. After spending a month in California Mr. and Mrs. Gridley will make their home in Portland.

Miss Brockhouse of Chapin arrived Friday for a visit at the home of her brother, Albert Brockhouse.

John Furman went to a Springfield hospital Monday for medical treatment.

Henry Lurch of St. Louis is the guest of his parents, Mr. and Mrs. Bert Lurch.

Miss Fannie Krone is spending the week with Chapin relatives.

Frank Gaines of Peoria is the guest of his family in this city.

Measles are getting quite a spread in the schools of this city.

Miss Greta Elizabeth Gill who has been a patient at Our Saviour's for the past six weeks, was able to return home Friday.

Mr. and Mrs. W. T. Trumble spent several days last week in Girard where they were called to attend the funeral of a friend.

Mr. and Mrs. C. E. Hare who held a closing out sale last week, have taken up their residence in this city. They are occupying the E. E. Murry residence on Cass street.

Henry Monroe has returned home from a visit of several weeks' duration with relatives in Oklahoma and Kansas.

County Clerk Henry Jacobs is very ill at his home on Morgan street.

Mrs. Noah Thompson who has been a patient at a Springfield hospital for some weeks was able to return to her home Saturday.

Dr. A. R. Lyles went to Springfield Monday evening to visit his daughter, Miss Mariah who is a patient at St. John's hospital.

Funeral services over the remains of Mrs. Mary Hardin, who passed away at the home of her daughter, Mrs. Mary Moore in Peoria Sunday, were conducted at the M. E. church in this city Tuesday at 2:30. Dr. A. A. Luce, the pastor was in charge.

Deceased had been a life long resident of this city and was a highly respected woman, a kind neighbor and a loving mother. She is survived by three daughters, Mrs. Mary Moore, of Peoria; Mrs. J. A. Treibwasser, and Mrs. Willie Gammel of this city.

Burial was made in Walnut Ridge cemetery.

Ladies' and Gents' Fine Tailoring. Suits \$35 up. Repairing, Cleaning. Frankenberg, N. Main.

Do You Feel Weak? Champaign, Ill.—"Sometime ago I was in a weakened state of health and suffered severely at times. A relative advised me to take Dr. Pierce's Golden Medical Discovery and Favorite Prescription alternately, and through taking her advice I was eventually restored to health. I took six or eight bottles and have had no distress since and it is now three years, so I feel confident that mine is permanent relief. My health has been better and I am stronger in every way. I hope this may be the means of helping other women to find relief." Mrs. Gertrude Carson, 78 E. Garwood street.

MANCHESTER RESIDENT
IS GIVEN SURPRISE

Mrs. J. L. Robinson Pleasantly Surprised by Her Children Sunday—Other News Notes From Manchester.

Manchester, March 1.—On Sunday the children of Mrs. J. L. Robinson gave her a pleasant surprise. Mrs. Robinson has been a guest at the home of her son, Charles, for several days and on Sunday morning, Mr. Robinson persuaded his mother to accompany him to a neighbor's where she was entertained for several hours and when they returned they found the rest of Mrs. Robinson's children and their families who had come in to make the day a pleasant one for her. They brought well filled baskets and at noon a sumptuous dinner was served to which all did ample justice. Late in the afternoon all departed for their homes having spent a very enjoyable day.

Those present were: Mr. and Mrs. J. C. Robinson and family, Mr. and Mrs. Frank Robinson and family and Mrs. J. L. Robinson. Mrs. Mary Farrell, the only daughter, was unable to be present on account of sickness in her family.
